

RESCHEDULED FROM AUGUST 26

BIG VALLEY ADVISORY COMMITTEE MEETING

When | Thursday, September 24, 2020 @ 4:00 pm

Where | Bieber Memorial Veteran's Hall

657 - 575 Bridge St Bieber, Ca 96009

The meeting will start with a review of Big Valley groundwater conditions (GSP Chapter 5), including sections on:

- Groundwater elevations – and how they rebound from drought
- Groundwater quality
- Naturally occurring minerals and local monitoring sites
- The role of groundwater regarding wetlands and local vegetation

This will be followed by a continued discussion on the description of the general area and local planning initiatives (GSP Chapter 3), as well as the geology and water bodies in and around Big Valley Groundwater Basin (GSP Chapter 4)

Join us in person using social distancing or register for a link at bigvalleygsp.org to join us online.
