PUBLIC NOTICE – DIXIE FIRE 9/10/2021 11AM EVACUATION ORDERS & WARNINGS REDUCED FOR SOME AREAS

Check the status of your address at: community.zonehaven.com

Residents should be aware that changing conditions in fire activity may cause areas under evacuation warning to escalate back to mandatory evacuation orders at any time. If you have evacuated large animals and vehicles, please keep them out of the area.

MANDATORY EVACUATION ORDERS HAVE BEEN REDUCED TO WARNINGS FOR the following areas:

- Little Valley and Dixie Peak area north of the Lassen National Forest from Wilson Springs Rd east to Dixie Peak and north to Pit River Canyon LAS-E072-A, EO65-B, EO68-A
- South of Hwy 36 south and east of Mtn Meadows Reservoir east to Old Town Rd– Zones LAS-E019, EO18
- Milford area west (mountain side) of Hwy 395 from south of Flux Rd south to the intersection of County Rd A26/Garnier Rd – Zones LAS - E009-A, E001A
- Janesville and Milford east of the Plumas County Line from Janesville Grade south to Milford Grade along the mountain side (unpopulated area) Zones LAS-E012-L,K, E010-B, C, F

EVACUATION WARNINGS HAVE BEEN LIFTED for the following areas:

- Milford area west (mountain side) of Hwy 395 from Raker Place south to Milford Grade – Zone LAS-E010-A
- East of Hwy 395 (lake side) from the Milford Grade intersection south to County Rd A26 Garnier Rd north to Long Valley Creek LAS-E008-A,B AND LAS-E002-C

ALL OTHER EVACUATION ORDERS AND WARNINGS REMAIN IN EFFECT.

Safety message: Be aware that there will be an increased presence of law enforcement and fire personnel working in the area. Use caution, drive with your headlights on, and yield to emergency personnel. Please see the attached information about returning home after wildfire which can be found at www.readyforwildfire.org .

WHEN YOU HAVE SECURED SAFETY OUTSIDE YOUR HOME, CHECK INSIDE FOR FIRE OR FIRE DAMAGE

- ☐ Embers in the attic, which may have entered through vents.
- ☐ If electricity is off, before turning it on, make sure all appliances are turned off. Once you are sure all appliances are turned off, there is no fire damage to your building and the meter does not have any visible damage you may turn on the main circuit breaker.
- ☐ Check if the phone is working.
- ☐ Check if security system and alarms are working.
- ☐ Use flashlights to help inspect your home and surrounding area.

AFTER CHECKING YOUR PROPERTY CONTINUE TO USE CAUTION AND NOTE OUTDOOR CONDITIONS:

- ☐ Trees & poles with deep charring, particularly if still smoking should be considered hazardous.
- ☐ Smoldering holes in the ground can be full of hot coals.
- ☐ White ash is evidence of hot material

IF YOU FIND ANY OF THESE CONDITIONS:

FIRE & OTHER EMERGENCIES

- ☐ Stay away and report condition to a local fire or law enforcement official in the area and call 9-1-1

DAMAGED UTILITY EQUIPMENT

- ☐ Report electrical problems and damaged equipment to your local utility.

GAS LEAKS

- ☐ Report gas problems and damaged equipment to your local utility.

RETURNING HOME AFTER A WILDFIRE

Once a wildfire has burned through an area, many dangers may remain.

Follow these precautions when returning home.

THANK YOU FOR YOUR COOPERATION.

WHEN DRIVING TO YOUR PROPERTY CHECK FOR:

Trees, brush, and rocks which may be weakened or loosened by fire.

Trees and brush weakened by fire may lose limbs or fall.

Rocks loosened by fire may roll and crumble. If rocks have rolled down a slope expect more to follow.

Debris or damage from fire on roads and driveways.

Debris on the road near your home and in your driveway.

Clearing the debris to the edge of your driveway and removing it later will help keep your home safe from fire.

Utility poles weakened by fire.

AT YOUR PROPERTY, CHECK FOR FIRE OR FIRE DAMAGE

Hot embers in rain gutters, on the roof and under overhangs.

Hot embers under decks and in crawl spaces.

Hot embers in wood piles, debris piles and lawns.

If well or pump-house is in working order.

If your electrical service has not been interrupted you may continue to use your power for such things as pumping water, etc.

Is there damage to the gas meter, gas lines, or propane tank? If there is **ANY** visible damage **DO NOT** attempt to repair or turn on these services. Call your local propane company or utility.

Look at the electric meter. If there is any visible damage **DO NOT ATTEMPT** to turn the breaker on.

If there are electrical wires on the ground **STAY CLEAR** and contact your local utility immediately.
