

**TAX COLLECTOR'S OFFICE  
LASSEN COUNTY, CALIFORNIA  
PLEASE READ CAREFULLY**

You have started paying your delinquent taxes under an installment plan of redemption. Failure to make payments on or before April 10 of each subsequent year will default your installment plan of redemption and could result in your property becoming subject to sale five or more years after your property became delinquent. You must comply with the following to keep the plan in good standing:

- (1) **Your next installment payment of 20 percent or more of the redemption amount, plus interest accruing on the first day of each month on the unpaid balance, must be paid on or before April 10, 20\_\_\_\_. An additional payment of 20 percent or more, plus interest, must be paid on or before April 10 of each subsequent year. The interest rate charged on the installment plan of redemption is computed at the rate of 1½ percent per month.**

Note: The unpaid balance of your installment plan, plus accrued interest, may be paid in full at any time before the fifth and final payment would be due.

- (2) **Current taxes coming due each year must also be paid on or before April 10. The second installment of any supplemental assessment taxes that become delinquent after April 10 must not be delinquent at the end of the fiscal year.**

If the plan is allowed to default, a new installment plan may not be initiated until July 1 following the default of the installment plan.

An installment plan of redemption cannot be initiated after the fifth year following the declaration of tax default or if the property has become subject to the Tax Collector's Power to Sell (Section 4217).

If you let your installment plan default in the fifth year or later after the declaration of default, you will be required to pay the entire outstanding balance in order to redeem the property. Failure to redeem the property in full may result in loss of the property at a public auction tax sale.
