Notice of Public Meeting – Permanent Supportive Housing Update

NOTICE IS HEREBY GIVEN that the County of Lassen will conduct a public meeting on September 19, 2023 at 10:05 a.m., at the Board of Supervisors Chambers, 707 Nevada Street, Susanville, in order to discuss Lassen County Health and Social Service's efforts to develop supportive housing and to solicit public input.

Over the last several years, Lassen County Health and Social Services has been pursuing the development of supportive housing. Recent efforts have included contracting with Housing Tools, a firm with expertise in housing development, to complete an up-to-date site feasibility study on several properties that offer potential for the development of housing. The study provides an in-depth analysis of the sites for feasibility in terms of location and site characteristics.

The purpose of this public hearing is to provide information on the updated feasibility study and to give the public the opportunity to make their comments known.

Members of the public are encouraged to attend the meeting and provide input. Written comments may also be submitted to the County of Lassen by emailing Grace Poor, Housing Program Manager, at gpoor@co.lassen.ca.us.
