

Housing First

Lassen County Housing and Grants uses a Housing First approach in all of our services.

This approach is based on the belief that people are better able to achieve personal success if they have safe, affordable housing.

Our Services

System Supports

- **Community Development Block Grants (CDBG)**

CDBG grants support community development activities to build stronger and more resilient communities.

- **Housing Development**

Staff work to secure grants for housing services and supports and to develop affordable housing in Lassen County.

- **Community Engagement**

Community engagement includes participation in the NorCal CoC, community education and partnership development and partnership development.

Housing Assistance

- **Housing Navigation**

Staff assists individuals and families in finding, applying for, securing, and moving into housing.

- **Housing Case Management**

Case management focuses on navigating barriers to housing and helping individuals and families connect to supports.

- **Financial Assistance**

Financial assistance can include rental assistance, security deposit assistance, utility payments, moving cost assistance, and interim housing assistance.

Street Outreach

- **Housing Focused**

The goal of street outreach is to build engagement and connect individuals living outside to housing.

- **Connection to Resources**

Outreach staff connects individuals and families to services, such as health care, transportation, access to benefits, and more.

- **Survival Supplies**

Outreach staff can provide supplies to people living outside, such as food, water, clothing, blankets, and other necessities.

Available services can vary based on eligibility requirements and available funding.
