

PUBLIC MEETING

BIG VALLEY GROUNDWATER BASIN ADVISORY COMMITTEE

MONDAY, DECEMBER 2, 2024 at 2:00 P.M.

Veteran's Memorial Hall, 657-575 Bridge Street, Bieber, CA 96009

At the Monday, December 2, 2024 meeting, we will be discussing the Big Valley Basin water budget tool, basin boundary modification and providing an update on the Big Valley Basin Groundwater Sustainability Plan (GSP) Implementation

What is the Big Valley Groundwater Basin Advisory Committee (BVAC)?

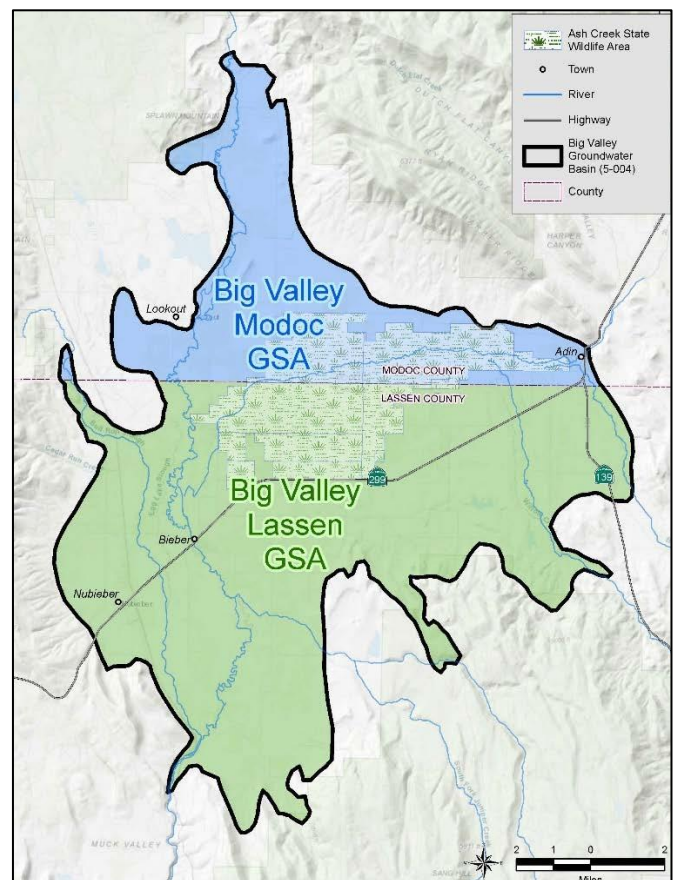

The BVAC is the committee formed to advise the Lassen and Modoc Groundwater Sustainability Agencies (GSAs) during development and implementation of the Groundwater Sustainability Plan (GSP).

What is a Groundwater Sustainability Plan?

A GSP is a detailed planning document, required by the Sustainable Groundwater Management Act (SGMA) that establishes a groundwater budget, minimum thresholds, and management actions to achieve long-term sustainability.

What has happened since the adoption of the revised of the GSP in April 2024?

On April 2, 2024, the GSAs obtained grant funding to implement the recommendations from the GSP. During this meeting, we will be providing an update on the GSP implementation actions and their status.

If you would like more information or want to be included on the interested parties list for the Big Valley Basin, please contact the GSAs directly at the phone numbers listed below.

Lassen County – (530) 251-8269

Modoc County – (530) 233-6201
